

SHINOLA

AMERICA'S HOME SHOE POLISH

LARGE quantities of SHINOLA are purchased by the Government to be sold to the Soldiers and Sailors.

We aim to make SHINOLA cost the men serving their country and the public back of the men, as little as possible.

War conditions turn men's heads to profit making. We believe friends and users are more valuable than the profit of the moment. That is why you can buy SHINOLA at the same price as always.

An Exploded Idea.

Time was when we used to think there was nothing and could be nothing like fresh creamery butter! The idea of a substitute for butter was repugnant to people of taste. The old type oleomargarine was a subterfuge deemed not quite respectable. But science has made progress since Dewey fought the Spaniards at Manila, and to-day Benefit Brand "Sweet Nut" is a table luxury that many consider fully the equal, if not the superior, of the real dairy product. There is something appetizing in the thought that the delicious white meat of the coconut and pasteurized milk. Best of all, it cuts your butter bill almost in half—32¢ a pound, sold only at the Direct Importing Co.'s yellow front store, 60 N. Main street, Barre, where Benefit Brand Teas, Coffee and Grocery Specialties are retailed at wholesale prices.—Adv.

Rev. G. E. L'Ecuier, pastor of St. John the Baptist church in Enosburg Falls, has received the appointment of chaplain in the army with grade of first lieutenant. He reported at Fort Totten, N. Y., Oct. 15. Dr. H. D. Hinman, an Enosburg physician, has passed the examination for U. S. service and has received orders to be ready any time for his appointment.

BETHEL

Marvel G. Beal went yesterday to White River Junction to join the army. He was one of the August registrants, having become of age after June 5 last. Miss Laura Cogswell has returned to Graniteville after a week with her brother, Carl B. Spencer, who is on the way to recovery after a critical illness. Sergt. R. E. Bundy is home on his way back to Camp Devens, after accompanying the body of a dead soldier to Milton. Dr. O. V. Greene's sanatorium has proved its value to the community during the present epidemic more than ever before. The scarcity of nurses and even of volunteer workers has been so great that many persons would have had insufficient care but for the sanatorium. Donald Jacobs comes from Waterbury to succeed the late A. E. Reynolds as cashier at the C. V. freight office. Myron A. Hovey has returned to his work as second track operator and M. Maguire remains in town as night operator. Former President Charles H. Spooner of Norwich university, now of Charlestown, N. H., was here yesterday. Miss Ellaween Sandstra has returned from Northfield, where she spent the summer with her sister, Mrs. Robert Gilpin. There have been reported to the health officer thus far during the present epidemic, 208 cases of influenza and 18 cases of pneumonia in Bethel.

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "It seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

RICKER'S MARKET REPORTS.

Beef Very Low, Milk in Demand and Calves Steady.

St. Johnsbury, Oct. 16.—At W. A. Ricker's market hogs are reported one-half cent lower. Beef is very low, calves are steady and good milkers are in demand.

Receipts for the week ending Oct. 15 included:

Poultry—800, 22c. Lambs—325, 10@13c. Hogs—250, 15@16c. Cattle—530, 3½@12c. Calves—912, 4@14c. Milch Cows—85, \$70@150.

HOGS DECIDEDLY LOWER.

Heavy Receipts of Western Livestock Keep Down Prices.

Brighton, Mass., Oct. 16.—Heavy receipts of livestock from the west, coming on a dull market, helped to keep down prices of all beef stock at the Brighton stockyards yesterday morning. Hogs were decidedly lower for both live and dressed. On the other hand, fancy calves were in light supply, and choice small lots were up a cent.

One good bunch of cattle were brought in by Dr. W. H. Merrill, N. H., and sold at top prices of the day, a few bringing up to 15 cents. This price was exceptional, the most of the so-called fancy steers selling at 11@12 cents. Av-

erage tops were quoted at 8@9 cents, with good cattle at 7@8 cents, and light cattle at 6@7 cents.

Best beef cows were quoted on about the same basis as last week, though trade was slow. Fancy stock sold at 9@10 cents, and occasionally more.

average tops bringing 8@10 cents, good cows 6½@7 cents, ordinary cows 5½@6 cents, and canner cows 5@5½ cents. Average beef bulls sold at 7@8 cents, with an occasional fancy animal bringing a little more. Bologna bulls sold at 5½@6 cents.

Fancy calves sold at decidedly better prices, small lots of fancy calves bringing 16½@17 cents, with bunch lots at 15½@16 cents, fair lots 11@14 cents, and grassers and drinkers at 8@10 cents.

Sheep and lambs are coming to market in fairly good-sized bunches and prices are a little easier, buyers paying yesterday morning 14@16 cents for lambs and 8@9 cents for sheep.

Apparently a determined effort is being made to break the market for hogs, as there is a slack demand for all pork products, except from the government, and this is the season for the big run of hogs in the west. Top prices for live hogs at Brighton yesterday were 18½@19c, rough lots selling at 17@18 cents. Many small pigs are coming to market, and these bring lower figures.

Dressed hogs are much lower, Boston packers quoting 23½@23c, cents, compared with 24@24½ cents a week ago.

No change is noted in the milk cow situation, offerings being small for a rather dull market, and prices ranging from \$50@100 and upwards, according to quality.

RANDOLPH

Stephen Cleveland of Peth received a telegram from Bridgewater, Mass., on Monday that his brother, Hubert Cleveland, was instantly killed in a plant at that place in which he was at work. The brother started at once, not knowing any of the circumstances, and there had yet been no news received from him. Hubert Cleveland was the son of the late Frank Cleveland, and went away about one year ago to work, first at Springfield and then drifted to Bridgewater, but the family did not know the nature of his work. It is expected that there will be further particulars learned later, as his brother will probably bring the remains home for burial.

Elton Clough, who has been at Enosburg Falls at work in the freight office of the railroad there, has returned home for an indefinite time.

Mrs. Jerry Goodheart and her daughter, Miss Eliza Goodheart, who have been here for a few days, attending to

their household goods, left on Tuesday for New Haven, Conn., where they will make their home. Miss Goodheart has a good position there, and she has also two brothers, Charles and William Goodheart, who have employment there.

Mrs. Horace Ripley of Taunton, Mass., arrived here on Monday for a short visit with Mr. and Mrs. W. H. Gladding, leaving here the following day for her home. Mrs. Ripley lived with Mr. and Mrs. Gladding for many years, until she was married.

Mr. and Mrs. Jackson Vail of Monroe, Mass., are passing a few days here with Mr. and Mrs. Homer Vail. On Tuesday Mr. Vail went to Pomfret to visit his brother, Solon Vail, and family.

Rev. Ralph N. Allen, Manset, Me., has accepted a call to the Baptist church at Cavendish.

GLASS OF SALTS

CLEANS KIDNEYS

If Your Back Is Aching or Bladder Bothers, Drink Lots of Water and Eat Less Meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Ad.
